

Do your thing at NT-ware!

We are an innovation partner and integral member of the Canon Group. Our specialists around the world develop state-of-the-art software for our print and scan management operations located near the German city of Osnabrück. These developments are made from scratch through constant dialog with colleagues in New York, Singapore, and Tokyo. With our highly flexible working environment and our pioneering approaches regarding time, space, and equipment, we are a fount of ideas for newer and better solutions. Come and join our team in Bad Iburg, Germany.

JUNIOR IT-SUPPORT SPECIALIST (M/F/D)

THIS SOUNDS AMAZING!

Are you versed in network infrastructure including DNS, routing, proxy, etc. and do you know about Microsoft (client) operating systems (server optional) as an admin? Do you have an excellent understanding of technical problems and their interrelations? Are you just as well versed in MacOS as an admin and cloud services like Azure, and AWS?

And have you already completed your education as a system administrator or better and are passionate about customer service and teamwork?

Of course!

Experience? Is something I'd like to gain with NT-ware.

Are you at the beginning of your professional career? We are always on the look-out for new talent and would love to receive your on-spec application!

At NT-ware, you'll meet a friendly technical and support team made up of delightfully easy-going people from over 35 nations. At each of our locations, we put our heads together to develop, test, and implement exciting ideas. By the way: What is your English like?

I love it!

English is not really my strong point.

With us, you can go all out.

- In our Support department, you'll be the link between our customers' technicians and NT-ware third-level support as well as the Operations team
- Your focus in this will be identifying and solving software and hardware issues affecting NT-ware products and their functionality
- In short, you'll be helping customers across the globe with their installation and troubleshooting

No worries. We offer in-house language courses taught by certified instructors so you can quickly brush up on your English skills.

That sounds perfect. Is there any information about the perks and benefits?

I don't think this is the right job for me :(

That's too bad. Good luck with your job search!

Perks and benefits? Of course. We offer a super-flexible, highly modern, and well-equipped workspace with a company bonus plan, opportunities for continued professional development, driver safety training, work bicycle rentals, gym partnerships, work from home, electric height-adjustable desks if desired, and much more... Convinced?

Are you looking for more good reasons to join NT-ware? You can find more information about our corporate culture at www.nt-ware.com.

Definitely!

Does this sound like you?
